was received communion, and in some of the larger churches several hundred approached the sacrament.

Tonight there will be services in all the churches, which will also mark the closing exercises of novenas and tridiums begun last week. There will be receptions into the various church sodalities and the services will close with Benediction of the Blessed Sacrament.

The Constantine Jubilee, commemorating the 1600th anniversary of the promulgation of the decree by Constantine granting religious liberty, and thus doing away with the hardships which the Christians were subjected to by the Romans, closes today and many Worcester Catholics are completing this devotion.

ALL SAINTS' CHURCH PLAN FOR SOCIAL

All Saints' church has planned a social for the adults of the parish over 16 years of age at Cotillion hall for Wednesday evening of this week at 8 o'clock. Tickets are free, to be obtained from the rector, Rev. Lewis Morris, but must be presented to insure admissions. The affairs will be the first of a series of such socials, which will include one especially for the young people to come later.

At the First Baptist church this evening, the monthly meeting of the Baptist City Missionary Society will take place.

ECZEMA ITCHED AWFULLY ON HEAD.

Thought Would Go Wild, Dry and Flaky, Hair Nearly All Came Out. Used Cuticura Soap and Ointment Three Months. Head All Cured.

29 Atkinson St., Bellows Falls, Vt. — "I had eczema on my head and it itched something awful. It seemed sometimes as though I would go wild. The eczema was dry and flaky. One day I combed it hard with a fine comb and made it all raw. My hair nearly all came out gradually so I had a small twist of hair and did not use but one hairpin to hold it.
"I tried — but in vain: it did no good. Then I thought I would try Cuticura Soap and Ointment. I used them three months and then my head was all cured and my hair began to grow so it is quite thick now. I have four times as much as I had."
(Signed) Mrs. Ellen W. Adams, Nov. 16, 1912.

FOR PIMPLES AND BLACKHEADS

The following is a most effective and economical treatment: Gently smear the affected parts with Cuticura Ointment, on the end of the finger, but do not rub. Wash off the Cuticura Ointment in five minutes with Cuticura Soap and hot water and continue bathing for some minutes. This treatment is best on rising and retiring. At other times use Cuticura Soap freely for the toilet and bath, to assist in preventing inflammation, irritation and clogging of the pores, the common cause of these distressing facial eruptions. Sold throughout the world. Liberal sample of each mailed free, with 23-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

EDWARD P. MOORE

Democratic leaders are watching with interest the fight being made in Ward 2 to elect Edward P. Moore to the Comon Council from that ward. They claim that he has the best chance of any Democrat to win out in what has been normally a Republican ward.

Mr. Moore had a meeting of his campaign committee today in his office in the State Mutual Building, and after checking up the list of voters in the ward he said that he expected to win out tomorrow. He has always lived in the ward and is well known there. He has made a close campaign, and in addition to being the Democratic nominee, he has the endorsement of the Progressives.

CHILDREN LOVE SYRUP OF FIGS

It Is Cruel To Force Nauseating, Harsh Physic Into a Sick Child

Look back at your childhood days. Remember the "dose" mother insisted on—caster oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

Richard O'Neil, aged 18 years, was arrested today by Inspector Fred P. Good as he left a Holden car at 11 o'clock, on a charge of larceny. The arrest was made on a telephone message from the Rutland Sanatorium that O'Neil had stolen \$17 worth of clothing from William Erickson. O'Neil was wearing the clothing which it is charged, was taken from Erickson. O'Neil was an attendant at the sanatorium.
